

ADVANCED CONCRETE TECHNOLOGY, LLC

STORM SHELTER & SAFE ROOM WARRANTY

___ **Slope Front Shelter SECOND:** This product is sold AS IS and is not covered under warranty.

___ **Above Ground Concrete Safe Room SECOND:** This product is sold AS IS and is not covered under warranty.

Waiver of Liability

The truck that is delivering the shelter/septic tank weighs approximately 60,000 pounds and will leave ruts. Concrete driveways, sidewalks, curbs, septic tanks, septic lines, sprinkler lines, or tin horns could be damaged if the equipment has to cross them. The homeowner relieves Advanced Concrete Technology, LLC of any damage to these items.
